

Dear Jocelyn Sands

From all of us here at Diabetes UK, thank you so much for your recent generous donation of £1,000, raised through your efforts on Second Life.

Thank you so much for thinking of us. The difference your involvement makes is so significant, and it is important to us to ensure that you are kept up to date with the progress we are making. Many of our key supporters appreciate having a point of contact here at the charity who keeps them informed of the difference their gift has made and of the ongoing needs we are addressing. Please do let me know if there is any particular area of our work that interests you more than others. If you need to reach me I can be contacted on my direct line 020 7424 1839 or by email on paul.julien@diabetes.org.uk

Thank you, Jocelyn, for all you do to help us achieve our mission: to find a cure for diabetes, and to improve the quality of life and care for people with diabetes until that cure is found. We are indeed grateful for your partnership with us.

Warmest wishes,

Paul
